Nebraska Boat, Sports & Travel Show

58th Annual Show ~ February 5-7, 2027 ~ Sandhills Global Event Center ~ Lincoln, Nebraska

EXHIBITOR ELECTRIC ORDER AND OTHER SERVICES

ORDER ONLINE AT https://www.sandhillsglobaleventcenter.org/

The Sandhills Global Event Center requires all exhibitors to order electricity, internet and other services directly through the exhibitor portal on their website. Use the above website to go to the Event Center's main page, from there click on the "Exhibitors" tab and select "Book Tradeshow Services." Scroll down the page and select Boat, Sport and Travel Show to order services for our show. (It does take them a bit to get our show live on their portal so if you don't see it, you can check back in a couple of weeks or call the Event Center.)

You will need to create an account, and then will see the services available and the pricing. If you are not sure of your booth number, enter 000. Please note: standard pricing for gas is available until December 31, 2026. For electrical services or catering, standard pricing is available up to January 28, 2027. After that day, late pricing will be in effect. Online ordering will end on February 4, 2027.

Any issues or questions with using the online ordering, please contact the Sandhills Global Event Center at 402-441-6545.
